

Fall Yard Cleanup

New Project from the Greater Coopersville Area Jaycees

The Greater Coopersville Area Jaycees are proud to announce a new project for the fall of 2009. Fall Yard Cleanup.

The Greater Coopersville Area Jaycees will be looking for people in and around Coopersville that are in need of help for the winterization of their yard. Being that the Greater Coopersville Area Jaycees are a small group, the amount of yards that the Jaycees will be working on will be small.

The Greater Coopersville Area Jaycees are also looking for more volunteers that would be interested in helping the Jaycees out with cleaning up yards for those in needs. The more people the Jaycees have helping, the more yards that they will be able to clean up.

If you know of someone who needs help, please contact the Community Vice President, Tony Huston, either at (866) 370-6070 ext 703, or community@coopersville-jaycees.org with the name, address, and phone number of the person(s) in need. Or, if you or someone you know would be interested in helping the Jaycees out, please contact the Community VP with your name and phone number.
